3. Eligibility Criteria

- Bidder shall be a manufacturer of the offered laptops or an authorised dealer/distributor of the OEM.
- Bidder shall possess valid PAN and GST registration applicable to the offered business.
- Bidder shall not be insolvent, bankrupt, under receivership or wound up.
- Bidder shall not be blacklisted, banned or debarred by the procuring organisation or otherwise declared ineligible under applicable procurement rules.
- Bidder shall declare absence of a conflict of interest with other bidders and the procuring organisation.
- Where the bidder is an authorised dealer, a tender-specific OEM authorisation letter shall be submitted.
- Bidder shall meet the qualification criteria in Section VIII.

4. Bid Security and Performance Security

For this mock tender, a Bid Securing Declaration shall be submitted in Form 7. Performance Security shall be applicable at 3% of the accepted contract value and shall be furnished in the prescribed form within the period stated in the Letter of Award.

5. Submission and Opening

Bids shall be uploaded electronically in two covers: Cover 1 – Techno-commercial bid and Cover 2 – Financial bid/BOQ. The financial bid shall be opened only for bidders whose techno-commercial bid is found responsive and technically suitable.

Section II: Instructions to Bidders (ITB)

1. Tender Document and Bid Structure

The Tender Document comprises the NIT/TIS, ITB, AITB, GCC, SCC, Schedule of Requirements, Technical Specifications and Quality Assurance, Qualification Criteria and Bidding Forms. The financial BOQ is an integral part of the tender.

The reference MTD states that Section VI covers goods, quantities, HSN codes, delivery, destination, transportation and incidental services; Section VII covers technical and quality requirements; and Section VIII covers qualification criteria.

■filecite■turn6file2■L148-L205■

2. Clarifications

Bidders may submit written clarification requests through the mock procurement portal up to 23 September 2026, 17:00 hrs. DDLI may issue consolidated clarifications or corrigenda before the bid submission deadline.

3. Preparation of Bids

- The bidder shall submit one complete techno-commercial bid and one financial BOQ.
- All uploaded documents shall be legible and signed where required.
- Scanned copies shall be self-attested where the tender requires self-attestation.
- Technical deviations shall be clearly listed in Form 3 and commercial deviations in Form 5.
- Conditional offers may be treated as non-responsive where the condition affects a material requirement.

4. Bid Validity

The bid shall remain valid for 120 days from the date of opening of the techno-commercial bid. DDLI may request an extension in writing where permitted.

5. Evaluation

Evaluation will proceed in stages: preliminary scrutiny, eligibility and documentary checks, qualification assessment, technical compliance, commercial/terms compliance, and financial evaluation among responsive bidders. The lowest evaluated responsive offer will be considered in accordance with the stated evaluation conditions and applicable preferences.

Section III: Appendix to Instructions to Bidders (AITB)

Clause	Tender-specific provision
AITB 1 – Portal	Mock e-procurement portal specified in TIS.
AITB 2 – Covers	Two covers: techno-commercial and financial.

AITB 6 – Inspection	Pre-dispatch inspection may be conducted on a sample basis at the supplier premises.
AITB 7 – Delivery	60 calendar days from effective date of contract.
AITB 8 – Warranty	Minimum 3 years comprehensive onsite warranty.
AITB 9 – Installation	Installation/configuration at each consignee location included in quoted price.
AITB 10 – Training	One half-day administrator orientation session at the consignee location.
AITB 11 – Price variation	Not applicable; prices shall remain firm during the contract period.

Documents to be Uploaded

The MTD identifies bidder forms including Form 1, Form 1.1, Form 1.2, Form 1.3 where applicable, Form 2, Form 3, Form 4, Form 4.1, Form 5, Form 6, Form 7 and Form 8 where applicable. ■filecite■turn5file2■L154-L170■

- Bid Form and Bidder Information
- PAN and GST registration
- Eligibility declarations and non-blacklisting declaration
- OEM authorisation, where bidder is not the manufacturer
- Schedule of Requirements compliance
- Technical specification compliance with supporting datasheets
- Qualification criteria compliance and performance statement
- Commercial/terms compliance
- Bid Securing Declaration
- Price BOQ

Section IV: General Conditions of Contract (GCC)

1. Contract Documents and Precedence

The contract shall comprise the Letter of Award, accepted bid, Tender Document, Schedule of Requirements, Technical Specifications, SCC, agreed clarifications/corrigenda and other documents expressly incorporated into the contract. In case of conflict, the order of precedence stated in the contract shall apply.

2. Supplier Obligations

- Maintain eligibility and qualification during contract execution.
- Supply new, unused and genuine goods meeting the specified technical requirements.
- Provide all accessories, cables, adapters and documentation necessary for normal operation.
- Complete installation/configuration and handover at the consignee location.
- Provide warranty support for the complete warranty period.
- Protect confidential information received during contract performance.

3. Inspection and Quality Assurance

DDLI or its nominated inspection representative may inspect and test goods before dispatch and/or after delivery. Initial inspection or acceptance shall not remove the consignee's right to reject goods later found not to conform to the contract.

The uploaded MTD specifically provides for inspection before dispatch and retains the consignee's right to reject goods later found deficient against technical specifications and quality requirements. ■filecite■turn5file8■L565-L605■

4. Packing and Transportation

Goods shall be securely packed in manufacturer-standard protective packaging suitable for road transportation and handling. The supplier shall bear transportation and transit risk until delivery at the stated destination.

5. Delivery Delays

Time is of the essence. Delays not covered by approved extension provisions may attract liquidated damages at 0.5% of the value of delayed goods per completed week, subject to a maximum of 5% of the delayed portion, without prejudice to other contractual remedies.

Section IV: GCC – Prices, Payments, Warranty and Disputes

6. Prices and Taxes

Quoted prices shall be firm and inclusive of packing, forwarding, freight, insurance, installation, configuration and incidental services up to the consignee location. GST and other statutory taxes shall be shown separately in the financial BOQ.

7. Payment

Payment shall normally be made within 30 days of successful delivery, installation, acceptance and submission of an undisputed invoice with required supporting documents. No advance payment is applicable.

8. Warranty

The supplier shall provide a minimum three-year comprehensive onsite warranty from the date of acceptance. Warranty service shall include repair or replacement of defective components and reasonable technical support without additional charge.

9. Performance Security

The successful bidder shall furnish performance security equal to 3% of the accepted contract value in the prescribed form within the period stated in the Letter of Award.

10. Dispute Resolution

The parties shall first attempt resolution through the designated procurement officers. Unresolved disputes may be referred to the arbitration mechanism stated in the contract, with the seat of arbitration in New Delhi and proceedings governed by applicable Indian law.

11. Termination

The procuring entity may terminate the contract for material breach, persistent delay, insolvency or other grounds specified in the contract, subject to applicable contractual procedure.

12. Code of Integrity

Bidders and the supplier shall not engage in bribery, collusion, coercion, fraudulent practice, conflict-of-interest concealment or other prohibited conduct in connection with the tender or contract.

Section V: Special Conditions of Contract (SCC)

SCC No.	Special condition
SCC-01	The goods shall be brand-new, unused and manufactured not earlier than 12 months before the date of supply.
SCC-02	Each laptop shall carry a minimum three-year comprehensive onsite warranty.
SCC-03	Delivery shall be completed within 60 calendar days of contract effective date.
SCC-04	Destination: DDLI Central Stores, Civic Technology Complex, New Delhi – 110020.
SCC-05	Installation, OS configuration, device setup and basic network configuration are included.
SCC-06	Supplier shall provide serial-number-wise asset list and warranty details at handover.
SCC-07	Supplier shall provide one administrator orientation session for up to 10 DDLI staff.
SCC-08	Price variation is not permitted.
SCC-09	Part supply requires prior written approval and shall not alter the overall delivery obligation.
SCC-10	All laptops shall be supplied with genuine manufacturer adapters and required accessories.
SCC-11	Any proposed equivalent specification must meet or exceed the stated minimum and must be clearly demonstrated in the technical bid.
SCC-12	The procuring entity may request clarification of submitted documents where permitted; clarification shall not ordinarily permit material alteration

Section VI: Schedule of Requirements

The MTD indicates that the Schedule of Requirements should state goods, HSN codes, quantity, units, delivery requirements, destination/state, transportation, terms of delivery, accessories/spares and incidental works/services.

■filecite■turn6file2■L148-L186■

REQ-015	FINANCIAL	Bid Securing Declaration	Yes	Form 7

Annexure D: Document Classification Test Set

This annexure is intentionally included to make the tender useful for the planned document-classification and RAG pipeline. A bidder package can contain a single combined PDF; the system should classify pages/documents, preserve page numbers and then map evidence to requirements.

Page span (mock)	Document type	Broad category
1–2	PAN + GST certificates	Legal / Statutory
3–4	Non-blacklisting declaration	Eligibility / Declaration
5–7	Audited financial statements	Financial
8	CA turnover certificate	Financial
9–14	Purchase orders	Experience / Qualification
15–18	Completion certificates	Experience / Qualification
19–22	OEM authorization	OEM / Authorization
23–29	Product technical datasheet	Technical
30	Warranty declaration	Certification / Quality
31	Bid Securing Declaration	Bid Security / Security
32–34	Price BOQ	Commercial / Price

For the MVP, these are expected evidence types rather than a requirement that every bidder submit every document. The tender itself determines which evidence is required.
